Growth In Schools Shown In Report At Board Meeting

Work To Enlarge School At Kings Beach Given Board Approval

A number of routine matters were taken up and discussed at the meeting of the governing board of the Tahoe-Truckee Unified School District last week.

Among these was a decision to proceed with the construction of the proposed new utility room at the Kings Beach elementary school and a progress report which showed work on enlarging and improving the grounds there is nearing completion.

An interesting attendance report was given by Superintendent John Corbin. This showed that although there has been a seasonal decline in attendance there are still 519 students in the elementary schools and 311 in the high school for a total of 830.

That compared with a total of 532 in the elementary schools and 317 in the high school a month ago, and 460 in the elementary grades and 318 in the high school for a total of 778 when schools opened in September.

Russell York, president of the high school PTA appeared before the board to determine what action had been taken to procure band uniforms. Advised that the budget was showing signs of being in the red, York announced that the PTA was buying sufficient replacements for 16 uniforms, to give the musicians an opportunity to enter competition with other schools.

Roy Baker, librarian, appeared to discuss vacation time and after some discussion the matter was left in the hands of Superintendent Corbin to work out a schedule.

The question of mileage allotments for employes using their own cars was also discussed. Lynn Kishbaugh, assistant to the superintendent and Mrs. Patnoude, school nurse, asked that the present rate of 8 cents per mile be increased to 10 cents. This was deferred for further action and inclusion in the next budget.

Corbin pointed out the need for an additional bus and this matter also consumed considerable time without decisive action. It was announced that all buses are now in use leaving the district without a spare. A small bus has been put in operation to transport the children from Squaw Valley to the Tahoe Lake school and a station wagon is being employed for the children at Hobart Mills.

Reg Smart presided at the meeting.

McGLADE HONORED BY HOSPITAL GROUP

Johnn J. McGlade, administrator at the Tahoe Forest Hospital, has been elected second vice president of the Sacramento Valley Hospital Conference.

The annual meeting and election of officers was held at Hotel Auburn in Auburn November 14. Frank E. Cook, administrator at the Roseville District Hospital, was named president of the conference to succeed Charles W. Veale, superintendent of the Nevada County Hospital.

Named as first vice president was Robert McKeon, administrator of the Siskiyou County Hospital at Yreka. Mrs. Clella Hovlid of the Biggs-Gridley Memorial Hospital is the new secretary-traesurer.

CHARGES MADE AS BUILDING MOVED IN TAHOE DISTRICT

AUBURN—A charge that a two story building in the Brockway Vista subdivision at Lake Tahoe is a public nuisance is being studied by the county building inspector and the health department.

The charge was contained in a petition signed by 13 residents of the subdivision and presented to the county planning commission.

Residents complain the building, moved by George Ridgeway to the subdivision is not connected to the sewer system, is causing property deterioration and is responsible for the loss of real estate sales.

The commission ordered the investigation.

Truckee Man's Car In Collision With Ambulance

RENO—Ray H. McAlexander, 39-year-old Truckee caterpillar operator, was arrested for a minor traffic offense when his 1949 sedan collided with the Sparks ambulance at Fouth and Lake streets.

McAlexander was cited for changing traffic lanes without proper caution after his sedan clipped the right side of the ambulance.

Ambulance Driver Frank J. Calhoon, 36, said he was driving 35 to 40 miles an hour with red lights blinking and siren screaming.

The ambulance was transporting a patient to St. Marys' Hospital.

Absentee Ballots Will Decide Bond Election At Lake

KINGS BEACH — The outcome of the election at Kings Beach to determine whether or not the North Tahoe Public Utility District shall float a $200,000 bond issue to improve the sewer facilities there, hinges on the 17 absentee ballots still to be counted.

Of the 98 votes cast at the special election Tuesday, 64 were for the bond issue and 34 opposed. It takes a two-thirds majority to carry and while the vote at the polls was nearly two to one the 17 absentees will tell the result.

Bank Releases Big Christmas Fund

A reminder to shop early for Christmas, and the wherewithal with which to do it, is going out to 162 residents of the Tahoe-Truckee area in the form of Bank of America Christmas Club checks.

Manager Lee Apple of the Truckee branch said checks distributed in this area total $28,089. Payments made in November to help customers get an early start on holiday purchases.

Over the state, the bank will distribute $53,300,000 to 422,000 participants in the bi-weekly savings plan.

Manager Apple said the Christmas Club, designed to help customers lay away funds for the holidays, also used for a number of other purposes, including taxes, insurance payment and winter vacations.

He added that 1957 Christmas Club account books now are available at the local branch.

VOLUNTEERS TO AID WITH PTA DINNER

At the regular meeting of the Tahoe-Truckee Unified PTA held at the high school on Thursday, November 8, the following committee volunteered to serve for the dinner to be given on Thursday, December 13, in the high school from 6 p.m. to 9 p.m.: Mesdames Thomas Sheehan, R. L. Grinstead, Nixon, R. L. Harris, E. L. Brown, Charles Glenn, I. Firpo, C. W. Sciutto and Dave Rose. Entertainment will be provided midway through the evening by the music department under the direction of James Pringle, high school music instructor.

Plans were also made to hold a donkey-basketball game in the early spring.

Anniversaries Observed By Many Local People

Birthday parties and family gatherings were enjoyed by a number of local celebrants, including Daven Morey and Walter Loynd whose natal dates occurred on November 4.

Supervisor and Mrs. Henry Loehr observed their birthdays on November 5 and 16. Linda Giovannoni was feted on the 8th of the month.

Ed Meiss of Truckee and David Avala of Floriston shared Veterans' Day, November 11, as their birth anniversaries.

Frankie Borden and Mrs. E. L. Loynd are observing their natal dates today along with the Thanksgiving celebration.

Mrs. Martin Sturcke will have tomorrow for her annual day.

Truckee Man Pays $25 Fine For Being Drunk

RENO—Jesse T. Mendes, of Truckee, was fined $25 in municipal court yesterday on charges of being drunk in or around an automobile.

Police officers reported the 27-year old California resident was arrested early Sunday morning on S. Virginia street.

INSPECTOR SPEAKS AT LIONS MEETING

At last Wednesday's meeting of the Truckee Lions Club, Robert Roth, senior inspector at the local quarantine station, gave an interesting talk on the work at the station and the variety of happenings that occur. Guests included Zeph Rose and William Sciutto. Roy Waters presided.

Highway Projects In Area Revealed By State Agency

Highway 40, Route 89 Will Receive Bulk Of New Appropriation

The recent announcement by the division of highways of its construction budget for the fiscal year of June 30, 1957 to July 1, 1958 in an amount of $350,000,000, some $100,000,000 above the current budget, has created considerable interest as to what projects are included.

J. W. Trask, district engineer, tells of the projects for the Marysville district where funds in the amount of $13,780,000 have been included in the construction budget.

To take full advantage of all available time during each construction period, the legislature has made provision that items included in the budget, which becomes effective in July for the fiscal year, may be covered by contract after January of the calendar year.

Placer County

Placer county has three projects in the budget one being entirely in Placer county and the other two being partly in Placer county and partly in Nevada county.

The Placer county only project entails $300,000 for construction of a detour between Magra and Alta road to carry traffic around construction work on the Magra to Blue Canyon section of U. S. 40, which is presently in planning stage.

Nevada County

Nevada county has three projects in the budget, one wholly in Nevada county and two others being partially in Nevada county and partially in Placer county.

The Nevada county only project covers a detour between Boca and Floriston to carry U. S. 40 traffic while the main highway is being constructed.

Placer-Nevada Counties

Two projects are included in the budget of which both are partly in each county. One project is on U. S. 40 between Hampshire Rocks and Soda Springs, for which $3,100,000 has been reserved for the 5.7 mile project. The other project is on Sign Route 89 between Truckee Wye and 0.2 mile south of Squaw Valley road and provides $1,450,000 for grading, surfacing and structures on a 9.4 mile section.

CLOTHING DRIVE IS STARTED BY CHURCH

Father Patrick O'Neill, pastor of Truckee's Catholic Parish, and the Tahoe area, this week asks members to gather together whatever clothing they can spare to donate to the clothing drive now being conducted throughout the nation for the poor unfortunate overseas in Hungary, and other countries.

Clothing should be brought to the parish house during the next few weeks, and all articles should be clean, and the warmer the better.

SCHOOL MUSICIANS AT BERKELEY MEET

The majorettes, song leaders, and band members of the Tahoe-Truckee High School Saturday were guests of the University of California at Berkeley on "All High School Band Day," attended by 5000 students from northern California.

The local group could not actively participate in the festivities because they are not yet equipped with band uniforms, but it is hoped this shortage will have been corrected by this time next year.

The local group greatly enjoyed watching the 82 colorfully uniformed bands rehearsing in unison, under the capable direction of James Berdahl, director of bands for University of California, whose podium was a 20-foot tower in the center of the football field.

The bus, driven by Erv Waters, left Truckee at 4 a. m. Saturday morning and returned at midnight the same day. Chaperones were James Pringle, director of music at the Tahoe Truckee High School, and Mr. and Mrs. Lynn Kishbaugh.

Birthday—

Patricia Maureen, small daughter of Mr. and Mrs. Nelson Stone was feted October 27 by her parents, receiving gifts in honor of the occasion.

SUNBEAMS

By WALTER M. BARRETT

This year, more than ever before Truckee merchants are making a strong bid for your Christmas business. They have bigger stocks, a wider variety and better prices than you will find in most towns and best of all you are dealing with a neighbor and a friend. Whether you are looking for a toy for a child or a new home or automobile, you can find it at home and service and satisfaction are guaranteed. Out of town Christmas shopping is entirely unnecessary and to build a bigger and better community, local shopping is definitely a must.

* * *

The entire staff of the Sierra Sun joins in hoping that this will be the best Thanksgiving you ever had.

Six Car Accidents Reported In Week

In spite of decreased traffic, accidents on the highway continued to take their toll in this area during the past week.

Six mishaps, in which at least six people were injured, were reported by Sgt. Frank Snyder of the California Highway Patrol.

One man was jailed for driving while intoxicated and a second cited for reckless driving, others for speeding or being on the wrong side of the highway.

Held in jail in lieu of $263 bail was James Cain, 35, Moore, Idaho, whose car collided wtih one driven by Robert Ferguson of Bakersfield at Donner Lake Sunday evening. Cain was arested by Patrolmen Carroll Maynard and Duke Worsham for drunk driving. No one was injured.

Joe McKinley Edward, 33, Tahoe City, was cited by Maynard Saturday evening for speeding and being on the wrong side of the highway after his car and one driven by Lloyd I. Aardal, 39, San Francisco, collided headon just east of Hirschdale. Mrs. Nina L. Aardal was taken to a Reno hospital with injuries.

Robert P. Klein, Los Angeles, suffered minor injuries when his car missed a curve on Donner grade and was wrecked. He was cited by Patrolman William Gautsche for driving without due caution.

Betty Haynes and Johnny Haynes, both of Del Paso Heights, were taken to the Tahoe Forest Hospital by Truckee ambulance after a car driven by Chester F. Williams, Sacramento ran off the road Saturday morning near Truckee. Williams told Patrolman Martin Sturcke, who cited him for speeding, that he fell asleep.

D. Wright, 33, Salt Lake City was taken to the hospital after a truck driven by William B. Barnum of Salt Lake City "lost" its air and ran off the highway near the foot of Donner grade Friday morning. Patrolman Sturcke made the investigation.

TEEN AGE CANTEEN RULES ESTABLISHED

A combined meeting of the officers and parents from the three communities, Kings Beach, Tahoe City, and Truckee, was held at Tahoe-Truckee High School, Monday, November 12. The rules made for Kings Beach Canteen were discussed as suggestions for the other districts.

The officers elected for Truckee are Burger Nelson, president; Bob Trask, vice president; Joyce Hallett, secretary and Dorothea Frey, treasurer.

The officers elected for Tahoe City are Richard Decker, president; Sharin Wright, vice president; Jude Commagere, secretary; and Judy Vaughan, treasurer. Doug Bell is sergeant-at-arms.

The governing board will meet Monday, November 19, at Mrs. Jean Davis' house to write downn the main rules and laws for the three communities.

The canteens are going rapidly along, and will continue to do so if the students' interest keeps up.

Study Of Highway At Emerald Bay Started By State

Bridge Seen As Most Likely Solution To Problem At Tahoe

Studies have been started to determine the feasibility of an all-year highway around Emerald Boy on State Route 9 at Lake Tahoe's west shore.

State Highway Enginer G. T. McCoy told the highway commission field surveys and subsurface exploration work had begun after the existing route was cleared of a landslide at a cost of $200,000 after being closed since November.

The slide, which occurred in January, dumped about 200,000 cubic yards of rocks and dirt across a 400-foot section of the highway. The route normally is closed to winter and spring travel, and was shut down in November of 1955 due to the earth slide.

McCoy said similar studies were being made along lower alternative routes in addition to the present 89 routing.

Because of rough terrain, he said, route choice is restricted to the existing highway or a lower route, which would involve a bridge across the mouth of Emerald Bay and would pass through the bay and Bliss State Park.

McCoy reported that whatever findings the studies submitted, construction would be costly and would take a long time.

SKI CLUB AT TAHOE SEEKS PROPERTY FOR AREA YOUTHS

TAHOE CITY — Three-way negotiations have been underway for some time now among the Squaw Valley-Lake Tahoe Ski Club, the Southern Pacific Company and the Truckee-Carson Irrigation District for acquisition of the old Agency House near the river just outside of Tahoe City. It is the ski club's intention, if they secure the building, to open a community youth center as a community service.

The building, one time standing at the railhead of the S. P. Lake Tahoe branch line, has been used only occasionally in recent years and is now for sale by the Southern Pacific. The property on which the building stands is owned by the Truckee-Carson Irrigation District, which leases to S. P. If the deal is consummated, a satisfactory purchase price must be worked out with the S. P. and a long-term lease must be arranged with the irrigation district.

This project is a part of the area-wide drive launched by the high school PTA to encourage community youth activities. The ski club has solicited the backing of the Tahoe City Rotary and the Women's Club of Tahoe, and if the deal goes through, will require the support of the whole community, according to Blanche Donaldson, club president. Extensive renovation will have to be done and Mrs. Donaldson expressed the hope that volunteer labor can take care of most of it.

THREE PAY FINES FOR ILLEGAL TREES

Wynn Killian and Larry West of Auburn were fined $200 each when they entered pleas of guilty to illegal cutting of Christmas trees when they appeared before Judge Harry Charrison at Tahoe City last Thursday. Judge Charrison suspended $100 of each fine on condition that the two refrain from cutting beyond their authorized lines. The trees were recovered by the Fibreboard Corporation.

William P. Stivens of Modesto was fine $150 by Judge Charrison last Sunday for cutting trees near Kings Beach without filing cutting permits as required by Placer county ordinance. Judge Charrison suspended $75 of the fine.

Roy Saarni, Truckee district ranger for the Tahoe National Forest said it was apparent that Stivens had not been supplied a cutting permit by Robert Knox, Christmas tree wholesaler and had not filed the required bill of sale with the local constable or Tahoe Forest ranger.

Leave For Winter—

Mr. and Mrs. Henry Strelow of Donner Lake have left for the winter. Following a visit in Eugene, Ore., they will go to Inglewood.

Traffic Decline Is Noted As Report By State Is Issued

Traffic through Truckee on Highway 40 dropped 27,807 cars during October as compared to September and was off 687 cars from the October 1955 total. However, Truckee still maintained second place as a port of entry among the state's quarantine stations.

This was revealed in the monthly report from the state department of agriculture.

The report shows that during last month 39,721 cars were checked at the local station against 67,528 for September and 40,408 for October, 1955. There were also 4039 trucks and 692 buses cleared here going into the state last month, this being an increase for commercial vehicles.

Yermo with 63,287 cars, was the only border station in the state showing more travel than Truckee.

At Meyers on Highway 50, 13,229 cars were checked last month as compared with 13,580 for November, 1955, a drop of 351 cars. There 426 trucks and no buses were counted.

The sharp decline in travel over Highway 40 last month as compared to September was believed caused by the early snow storms experienced during the month.

Olympic Facilities To Be Permanent

Governor Goodwin J. Knight has promised that installations at Squaw Valley to be used in 1960 Winter Olympics will be maintained after completion of the games as a permanent part of California's State Park system.

In an address before the 58th annual conference of the League of California Cities at Los Angeles recently, Knight pledged that the skiways, bobsled runs and other major construction projects completed for the games will later be maintained "for the benefit of all California outdoor enthusiasts."

He also said he is planning at a later date to meet with officials throughout the state to plan a state-wide Olympic winter games celebration prior to the games.

Knight said: "We are making every effort to see to it that the games are the best ever held in the long history of Olympian competition."

FOUR LOCAL MEN ON SAFETY GROUP

Four Truckee residents have been named on the board of directors of the Nevada County Traffic Safety Council, Fred W. Dungin, chairman, of Grass Valley announced.

The board will be inaugurated Monday, December 3 at a 6:30 dinner to be held at Bret Harte Inn in Grass Valley and this will be followed by a public meeting at the Hennessy school at 8:15 when the speaker will be J. Arthur Rude, director of the public information bureau of the California Traffic Safety Foundation. He will speak on the national safety program sponsored by President Eisenhower.

Local members of the board are Judge F. W. Wilson of the Truckee Judicial District Court, Reginald Smart, president of the governing board of the Tahoe Truckee School District; Sgt. Frank M. Snyder, of the California Highway Patrol and C. Edmunds, manager of the Truckee Public Utility District.

SQUAW VALLEY PLAN READY IN MELBOURNE

Press dispatches from Melbourne report that H. D. Thoreau, executive secrateary of the California Olympic Commission, is there to report to the International Olympic Committee on the progress being made to convert Squaw Valley into a great sports center for holding the 1960 winter Olympic games.

Everything is coming along fine, according to Thoreau, a former University of Southern California publicist.

Avery Brundage, president of the IOC, said technicians of sports federations, after visiting Squaw Valley, "were impressed with the desire of California to do the right thing by the winter games."

Do all your Christmas shopping in your local stores.

Christmas Party December 14 As Plan Is Completed

Rex Reid Nominated To Be Chamber President For Next Year

The annual Christmas party for children of the community will be held Friday, December 14th in conjunction with the Donner Theater-Sacramento Bee show.

This was decided at a meeting of the Truckee Chamber of Commerce Tuesday evening at the high school during which Rex Reid was nominated as president to succeed Hal Welch who declined nomiation for another term. Nominations will remain open until the December 4th meeting.

Other nominations included Lee Apple, vice president; Ken Hedlund, business manager and Earl Stice, treasurer. The old board of directors, plus Dr. Ben King, who was appointed to replace Wayne Philippi, resigned, was nominated.

Hedlund was chosen to head the chamber's committee to arrange the Christmas party. The affair is being held early to conform with the date of the Donner party and will not interfere with school and church affairs planned for later dates.

Dan Harmon, representative of this area on the Nevada County Board of Trade was requested to ask the board for funds to provide a brochure advertising Highway 40 and Route 89 in this area. Donations of $400 and $250 to Highway 49 and Highway 20 were approved by the board of supervisors recently, but nothing was provided for the eastern end of the county.

At the suggestion of Stice, the officers of the area with division of highway officials will be invited to the next meeting to discuss what steps can be taken to remove unsightly wrecked cars from the roadsides in the area.

Welch presided at the meeting which was attended by a small number of members.

ROTARY DONATES TO COMMUNITY PARTY

Members of the Truckee Rotary Club at their annual Thanksgiving party at Donner Lake Lodge Monday evening, donated $50 to be used to assist in the expense of the community Christmas party on December 14. It was a ladies night affair and more than 60 attended. R. R. Frank presided.

FIVE CANDIDATES WILL BE INITIATED

Preparations for initiation of five candidates were made at a meeting of Naomi Rebekah Lodge Wednesday evening, November 14 with Laura Horman presiding. The initiations will be held December 12 and further practice will be held at the November 28 meeting. All members are asked to attend.

Two visitors, Mrs. Fred Goslow from Gooding, Idaho and Mrs. Bennitta Sciutto of the Gevserville Lodge, were visitors. Refreshments were served by Mrs. Josephine Thomas and Mrs. Dorothy Slack.

PASTOR ADDRESSES LAKE CLUB MEETING

KINGS BEACH — Rev. Earl Langguth, pastor of the Community Methodist Church at Kings Beach spoke on "The Church, Community and Youth", at the meeting of the Brockway Rotary Club presided over by H. E. (Pappy) Brooks Monday evening at Crystal Bay Club. E. C. (Doc) Hageman, who has returned to be a permanent resident, was welcomed back into the club. Leon Barker was the program chairman.

In his talk, Rev. Langguth told of the church's place in the community and the community's responsibility to the youth and the youths' responsibility to the community and stressed the work the church is doing for the young people of the district.

BOOK CLUB MEETS ON NOVEMBER 28TH

The Communist Manifesto is the work now being studied for the November 28 meeting of the Great Books Discussion Group. This timely work, first published in 1847 by Karl Marx and Friedrich Engels, is especially pertinent for today. The meeting begins at 8 p.m. in the high school library.

Many Hunters

The opening of the migratory hunting season during the weekend virtually emptied this area of hunters who traveled to Woodland, Yuba City, Alturas and Tule Lake.

Among those hunting birds were Reg Smart, Harry Barnes, Jack Neugebauer, Mr. and Mrs. Robert Leamon, Mr. and Mrs. Loren Russell, Mr. and Mrs. Harold Langille, Clarence Osburn and sons, Kenny and Jim, Frank Quilici, Elden Tonini, Rex and Terry Tollefson, Tom Sheehan and sons, M. C. King, Mr. and Mrs. Frank Giovannoni and family and Sterling Ralphs.

Tahoe-Truckee School District News

TAHOE LAKE SCHOOL

Kindergarten and First Grade: (Teacher, Geraldine Bean.) Tahoe Lake kindergarteners voted Benny Boyle's picture of Mickey Mouse one of the best in the class.

First graders who turned in perfect work papers for the high star award this week were: Dwight Lang, Rocky Riggs, Erik Henrikson, Dianne McBride, Breezie Cross, Bro Shontz, Connie Day, Ruth Ann Dunn, and Denise Henrikson.

First and Second Grade: (Teacher, Solveig Beavers.) Second grade star papers in writing were made this week by Vicki Jones, Dick Pomin, Tommy Barr, Chris Beavers, Jimmy Bechdolt, Darlinda Stark and Rosemary Wray. We also began studying the concepts of Thanksgiving, its true meaning and the story of the Pilgrims.

The neatest number workbooks were done this week by Rod Farley, Anna Marie Conners, Rocky Riggs and Tommy Carnell.

Third and Fourth Grade: (Teacher, Lillian Farr.) Word building was analyzed by the fourth grade through finding root words during the weekly reading program and rebuilding the same words with prefix and suffix additions. Greg Moore received class praise in both explaining the meaning of research study and in presenting a report on the "Living Desert" to illustrate the purposes set up in the study program.

Both classes enjoyed reviewing music for the Christmas program with the apt guidance of Mrs. Beavers.

Fifth and Sixth Grades: (Teachers, Mrs. Rauscher.) A realistic Jamestown was built from earth and plant life taken from the schoolgrounds. Students participating in the activity were Joan Sevenair, Patsy Cooke, Galen Paine, Sandra Riggs, Vicki Jo Rich and Sandra Snyder.

A colorful paper Jamestown was made by Sheryn Abrahamian and Suzanne Sprague.

DONNER TRAIL SCHOOL

Kindergarten, First and Second Grades: (Teacher, Jeanne Kessey.) The children in the primary grades at Donner Trail School are exploring the methods of transportation.

We have a class newspaper, now, which we print each day during our sharing period.

Don McGee and Nancy Burchfield told us one day that they had been locked up in the railroad chute while waiting for the school bus one morning. We were glad that they got out in time to take the bus.

Third, Fourth, Fifth and Sixth Grades: (Teacher, Bob Bailey.) Our class has been discussing the many things we should be thankful for this Thanksgiving. Albert Eberhardt pointed out that no one at our school has ever had any crippling disease, like polio—for which we should be thankful. Sharlyn Levy said that none of the children went hungry or had no home of their own to return to after school. Carl Shusky pointed out that there was war over in Europe and the Near East, and that lots of families had lost their homes and were without food. Bruce Bailey mentioned that he had seen TV pictures of a food riot at Tel Aviv, where Arabs and Jews were starving because of the Egyptian-Israel war. The class agreed that we Americans, young and old, are by far the most fortunate people in the world this Thangsgiving time.

Several pupils will spend the Thanksgiving holidays away from home: Candy and Bunny Board are leaving for Salinas to visit their grandparents this Monday and will stay there throughout the rest of the week.

Karen Hansen will go to Yuba City for Thanksgiving.

Billy Strickland wil go to Vallejo for Thanksgiving with his grandparents.

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) Five of our classmates have their name on the membership roll of the Junior Red Cross. They are David Goldsmith, Curtis Melugin, Carol Hart, Armon Close and Mary Lou Randall.

Although our room did not rate very high in the recent PTA membership drive, we have had the best representation at the PTA meetings thus far.

First Grade: (Teacher, Helen Camp.) Those receiving 100 in our second vocabulary test were: Michael Borden, Michelle Harris, Ruth Notley, Phillip Risden, Bill Rose, Susan Schuler and Henry Frates.

First Grade: (Teacher, Ruth Croxen.) Bobby Goldsmith, Barry Waters, Kathie Hart, Marion Ayala, Richard Buck and Eddie Anderson finished their second reading book this week and took their books home to read to the family.

Karin Meixner, Kenny Betthauer, Richard Buck and Michael Kydd made some good wallpaper for the house.

Third Grade: (Teacher, Arlene Roth.) Cursive writing is an important step in the third grade learning. Some very neat penmanship papers have been handed in by Lenny Tudor, Monty Straub, Larry Digesti, Clydene Strickler and Mark Moore.

Candy Hamilton and Claudia Ayala are in charge of our Thanksgiving program.

Fourth Grade: (Teacher, Mr. Stever.) Activity in the fourth grade was limited for the most part to the study of the basic subjects.

The executive committee appointed the following pupils to handle the routine assignments: Lunch cards, Marcia Leamon and Carol Kunkler; mid-morning, Gary Sturcke and Don Thomas; noon committee, Judy McGwinn, Gerri Steele, Michael Harris and Marcia Leamon. We are happy to have a new member, Wade Mosby, in our class. Wade arrived here by way of Reno, and Sweet Home, Ore.

Fifth Grade: (Teacher, Olia Tiffee.) Therene Powell moved away Friday.

Leilani Braasch returned after a trip through the middlewest.

Those making a perfect score in spelling were Dianne Cardinal, Susanne Sciutto, Leilani Braasch, Robby Kaspian, Ronald Brown, Bonnie Fair, Ronald Buck and Marai Marin.

Sixth Grade: (Teacher, Ruth Roberson.) The members of the class are pretending that they are taking a trip to one of the Central America countries.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) Both Kathy Critchley and Alice May Birch are back at school after having taken trips with their families. The Critchleys visited relatives in Oakland, and the Birches visited relatives in Nebraska.

Randy Hiatt, Cindy Plunkett and Janice Wing brought records to school this week.

First graders receiving new readers this week are Mike Cook, Randy Hiatt, Jan Jensen and Ronald Smith.

Dickie Cinani and Gary Wing, from Mr. Bisio's room, came over and showed our class two movies.

Second and Third Grades: (Teacher, Mrs. Katherine Wing.) children received 100 percent: test, the following third grade At our last weekly final spelling Beverly Bergan, Bruce Templeton, Bruce Draney and Vern Wing.

We have another plant we are caring for during the winter months. It is a geranium plant belonging to Mrs. Minnie Wagner.

Carl Christiansen brought a chair to share with his class. Carl made it using nuts, bolts and wood.

This week our class won the thrift banner for having the largest number of depositors.

Sharen Birch returned to our class after visiting her grandmother.

Cathy Rockholm, Paula Martin and Debbie Martin went swimming at Carson Hot Springs.

Lynn Kishbaugh, district administrative assistant, visited us Wednesday.

Third and Fourth Grades: (Teacher, Dorothy Corbin.) We have been very busy this week culminating our unit in social studies on early California Indians.

Vickie Russell has returned from a vacation in Oregon.

Penny Cassidy has been absent for several days.

Fifth and Sixth Grades: (Teacher, R. P. Bisio.) Karen and Linda Critchley returned after a week's vacation.

Dick Cinani will leave this week for a stay in Los Angeles. Dick hopes to visit Disneyland.

Steve Potkay and Brad Thompson finished their readers this week and have started on their new books.

Virginia Baker was appointed class librarian.

Student body officers for this year are: Kris Felte, president; Dick Cinani, vice president; and Larry Free, treasurer.

STRICTLY STRICKLAND

By Bill Strickland

The Community Club's Halloween party for the youngsters from the Donner Trail School was held during the week at the school. All of the children were in costume for which two were awarded prizes for the best. Bunny Board had the best for the girls and Carl Shuski best for the boys. Everyone on the mountain participated via the prize route. Donner Ski Ranch and Soda Springs Ski Corporation with all-day lift passes—an assortment of candy, gum, peanuts, popcorn, apples for apple bobbing were donated by Vanderfords, Norden Store, Beacon Hill Lodge, Donner Summit Lodge, Kingvale, Woffords Motel, Helgrens, Trailsyde and Cisco. Lola Schull took the necessary ingredients and made hundred of popcorn balls with Jeanne Kessey helping her. Jeanne and Bob Bailey, of course, took care of the party itself as it was held during school hours.

* * *

Betty Beyer and her Volkswagon sedan hauled five of the high school boys to the show in Truckee Friday night. When all of them started to pile out of that little rig in front of the theater, it caused a man and his wife in the adjoining car to shake their heads in disbelief. Besides Betty, Kit Schull, Dean Beyer, Dick Beyer, a lad (first name of Tom from Donner Lake) Bob Strickland, I think, almost anyone would be very surprised to see that many unload from one of those little cars.

* * *

Brant, Doris and Bob Chaplin have returned to their Soda Springs hotel. It is now temporarily closed but a large sign on the door proclaim its winter opening for December 20. As usual, there is a tremendous amount of preparation needed for the winter season and all of them are very busy arranging for said coming season. It's real nice to see you back, Chaplins' all.

* * *

Last week in the Sugar Bowl, Jeff Davis who lives at Donner Summit Lodge, tried skiing down the steepest part of Mt. Lincoln without the benefit of skiis. He slipped from a very precarious perch on one of the towers and slid and rolled about 100 yards on the ice before he could halt his descent. Result a very painful hip dislocation. Then, a few days later his wife, Vi, tripped on the steps at DSL, tearing the rib ligaments.

* * *

Donner Summit Lodge had a group over the weekend known as "The Royal Coachmen." They are sports car enthusiasts and believe you me some of the cars were dillies. We saw MG's Volkwagons, Mercedes-Benz's, Lancias', Porshes', Jags—well, you name it, and I think it was there. Thirty-five people in about 15 cars. You know, that would certainly answer the parking problem up here in the winter months—parking for sports cars only—room for three or four of those little guys compared to one Packard or Cadillac.

* * *

The Donner Ski Ranch has this year inaugurated a very extensive promotion and publicity campaign. The ranch has been one of the popular ski spots on the mountain for many years. In fact, back in the 30's, Johnny Ellis had the first rope tow on the Summit right on the site of the old T-Bar lift. The House of Vanderford was directly across the road, and at that time Kirby and Lola Schull had the Donner Trail Lodge in what would now be about the middle of the parking area. Of course there is no comparison between then and now. If you wanted a run off of the top—you climbed. Now, with the new double chair you can ride to the top in less than five minutes and if you're a pretty good skier you can come down in about a minute and a half. The ski ranch area is also the home of the Peninsula and Viking Ski Clubs. All of that to go along with the main ski ranch buildings, the new double chair lift, big dining room, bar, large lounge, the Zorich Ski Shop and Zorich Ski School, plus a large surfaced parking area make the ski ranch complete and accessible.

* * *

The Sugar Bowl Lift up Mt. Lincoln is progressing according to schedule. Talked to Tommy Vicencio this morning and he told me that the steel for the final tower was being erected now. Four new homes are almost completed as well as a new kitchen and dining room on the main lodge. .

TnT TIDINGS

By JUDE' COMMAGERE

Eleven Students Initiated

The California Scholarship Federation is an organization for those students with a 10-point average. At the end of each semester, students count their grade points. Any office held counts one-half point. If their grades average out to be 10, they can become a member of CSF. If they can maintain this 10-point average throughout four semesters, they become life time members. CSF represents high grades, good citizenship, college honors, and a worthy goal to work toward.

Under the direction of Mrs. Thelma Meiss, advisor, the CSF initiation was held at TnT, November 15. Many parents and friends attended, to witness the impressive initiation of CSF members. The initiation was conducted by the officers of CSF: Carol Street, president; Karen Decker, vice president; Linda Loynd, secretary; Harry Woodward, treasurer, and Nikki Ann Wing, a former officer. Those initiated were: Jerry Brown, Bob Heuga, Barry Graton, Sheila Fanger, Don Van Hooser, Burger Nelson, Dorthea Frey, Don Henry, Shirley Taylor, Bob Williams, and Sharyn Wright. Mrs. Earl Smith and Marilyn Brown were refreshment hostesses. The evening was of great esteem to the students who have earned the high honor of becoming members of CSF.

On The Scoreboard

Floyd Cooper, 16, a junior, has attended TnT for five years. His grade average is a-c, and he holds the office of junior class treasurer. He has played on the Jay Vee basketball team in his freshman year, and on varsity in his sophomore year. College is his future goal. To close the interview he said: "I think we have a real good ball club this year, we have the expereince and ability."

Dean Holbrook On Board

Dean Holbrook, 16, is a junior He has been enrolled at TnT for four years, played on Jay Vee for two years, as a freshman and sophomore. He is not only skilled in basketball, but one of TnT's most valuable football players. He is now the junior class representative, and his grade average is c. He plans to go to college but not before he witnesses the goal of the team found through his statement: "I think the team will go all the way, this year!"

There are four history museums in San Francisco—California Historical Society, Pioneer Society of California, Maritime Museum and Wells Fargo History Room.

LEAVE LAKE

TAHOE CITY—Leaving the lake for the warmer valley are Mr. and Mrs. E. Roberts and family of Sky Blue Waters at Kings Beach, settling at Petaluma. Also from Kings Beach the B. Mallory address is Monterey Park the Max I. Kreugers are at Montgomery Creek.

Mr. and Mrs. J. T. White of Tahoma have gone to Carmichael and Mr. and Mrs. George Mortimer of Tahoe City have moved to Los Gatos for the winter.

The Monkey Puzzle tree is a native of Chili.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday was 6227.90 feet with 292 csf of water leaving the gates at Tahoe City. Cooler but clear weather has predominated the weather picture with a low this week of 21 on Monday and a high of 45 on Saturday.

License Issued—

Rice-Moore—In Nevada county, Calif., Nov. 14, 1956, issued to Ernest Richard Rice, 46, Truckee and Eula Imogine Moore, 36, Truckee.

SHOP IN LOCAL STORES

STATE OF CALIFORNIA
17TH DISTRICT AGRICULTURAL ASSOCIATION
GRASS VALLEY, CALIFORNIA

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the 17th District Agricultural Association, Grass Valley, California, on or before 8 P. M. November 27, 1956 for the satisfactory construction of Parking Area and Roadway lighting.

Construction is to meet conditions outlined herein and the following plans and specifications, on file in the office of the Division of Fairs and Expositions, Department of Finance, Capitol Building, Sacramento, California, and the office of the Secretary-Manager of the Association: Plans Entitled: 17th DAA - Grass Valley; Nevada County District Fair Parking Area and Roadway Lighting.

Proposals will cover all work shown, specified or indicated. Work and-or materials not specifically detailed shall be in conformity with the best practices of construction pecular thereto.

Contractor to furnish a total price to include all materials, labor and sales tax for completion of building with 30 calendar days after date of approval of contract.

Contractor to pay prevailing wage rates for all workmen to be employed on this project. In accordance with the provisions of Section 1773 of the Labor Code, the State agency has ascertained the general prevailing rates of wages applicable to the work to be done as follows:

Nevada County

Classification	Hourly Rate
Electricians	$3.50
Laborers	3.325
Foreman	3.80
Groundman	3.125

Any classification omitted herein, not less than $2.325 per hour. Overtime, minimum of one and one-half times the foregoing rates. Sunday and holiday rates double the above rates. the above rates.

The contractor shall forfeit to the State a penalty of Ten Dollars ($10.00) for each calendar day, or portion thereof, for each workman paid by him or subcontractor under him, less than prevailing wages so stipulated. This provision shall not apply to properly indentured apprentices.

Eight hours labor constitutes a legal day's work and the contractor shall forfeit as a penalty to the State Ten Dollars ($10.00) for each workman employed in the execution of the contract for each calendar day during which any workman is required or permitted to labor more than eight hours in violation of Labor Code Sections 1810-1817, inclusive.

The contractor or subcontractor shall forfeit as a penalty to the State Ten Dollars ($10.00) for each alien knowingly employed in the execution of this contract for each calendar day or portion thereof during which any alien is permitted or required to labor in violation of Labor Code Sections 1850-1854, inclusive.

The 17th District Agricultural Association reserves the right to reject any or all bids and to waive any informality in any bid received.

No bidder may withdraw his bid for a period of thirty (30) days after the time set for opening thereof.

Contractor shall furnish and file with the Secretary-Manager of the Association a labor and material bond in the amount of fifty (50) percent of the contract amount prior to commencement of work.

Dated: November 5, 1956.

17th District Agricultural Association.
Edith Scott,
Secretary-Treasurer.

TAHOE CITY—Carol Wilson, a graduate of Tahoe-Truckee high and now a student at Sacramento State College, was a featured piano soloist Thursdy night at the college's Little Symphony program. Her mother, Mrs. Ivan Wilson of Lake Forest, was able to go down to attend the musical evening.

Saint-Saens' long but delightful Carnival of the Animals with words by Ogden Nash was the feature of the evening in which Carol took part.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Thanksgiving

We all make our own lists, privately printed in our hearts, of things to be thankful for on this most American of holidays, but surely getting together with relatives and friends goes down in capital letters for all of us. May you each be sharing turkey, or hot dogs, or steak or something with some one you love.

Away For Holiday

Among the many Tahoeites who are going away for the Thanksgiving holiday are the Dick Clarks. Dick, Doris, Pam and Penny will go down the peninsula to join Doris Clark's parents in Palo Alto.

Leonard and Dorothy Bury and their son, Donnie, left Sunday to spend a week with Dorothy's family in Redondo Beach. This is a well deserved rest for them as all of you know who have dropped into Len's humming bakery shop this summer and fall.

John Wood of Tahoma and Gary Holbrook of Tahoe Tavern Heights will go to Sacramento to share Thanksgiving with John's mother, Mrs. Richard Hosking.

Hunting In Valley

Marshall Ruhkala of Lake Forest took eight-year-old Tommy down into the valley for pheasant hunting this weekend. Tommy was awfully proud to be going with his dad. They bagged their limit both days.

Beccy and Jay Shontz and Vi and Bob Pomin also went shooting for pheasants over the weekend.

On Sick List

Ben Callender of Homewood was on the sick list for awhile but is feeling better now, we are glad to report. He and Jean are keeping the lodge open every night for the present.

Ted Finger of Lake Forest and Auburn was hospitalized last week in Auburn for treatment and observation. We hope he will not haveto stay long.

Charles Neilsen of the division of highways here is in the Washoe Hospital awaiting surgery on his back there this week. He was transferred there from our own Tahoe Forest Hospital last Thursday. We certainly hope all goes well.

Mrs. Harvey Proctor and her daughter, Betty, were in Chico visiting relatives and friends for the weekend.

From Modesto

Geri Bean's mother, Mrs. Iva Bean, came up from Modesto to visit Saturday and Sunday. Most of you know that Mrs. Bean is teacher-consultant in home economics in the Stanislaus County school system.

Enjoy Supper

An evening of charades was enjoyed by several couples at a potluck midnight supper at the home of Mr. and Mrs. Bob Jorgensen in Tahoe City Saturday. Among the couples attending were the Bob Hughes, Major Jones, Jack Van Allens, George Hogans, Dave McBrides, Hal Farrs, Dale Freelands, George Days, Solveig Beavers and Nick Thomas.

Rotary Meets

Rotary met on Tuesday night at Bacchi's Inn in Lake Forest. Thirty-one members were present and three visitors, Dr. H. M. Holmes and Constable Dick Lavery from Brockway, and the president of Grass Valley Rotary, Thomas Taylor.

Basil Kehoe, Christmas tree chairman, explained further about the letter from the Wide-wide World program about televising the Christmas tree party here. It was decided it would be a financial impossibility.

Warren Porter who returned home recently from an Hawaii trip with his wife gave a talk to the club about his travels. They visited several of the islands beside Oahu and were constantly struck by the profusion of flowers everywhere. Porter reported that the yearly average rainfall in the islands is 300 inches. He spoke of seeing two baby carriages being pushed in a downpour with both mothers and babies in complete unconcern.

He also said that he and his wife were in complete agreement that no sight on their journey was more beautiful than the Truckee river road as they neared home.

Open For Season

Rusty and Jeannette Rustad report that Granlibakken has been open daily ever since November 3. The early snow left a good pack for them largely because Rusty has "manicured" the slope. More than 100 skiiers were out these last two weekends. Binth Rustad will be up to spend the Thanksgiving holiday here and the boys will come at Christmas since the distance is too far for a shorter time. Jane is now attending Sacramento State so comes home quite frequently.

On TV

I must not forget to add for us who missed it that Rusty and Jeannette were on television Thursday night on Codding-Wetzel Sport Shop's program.

Shower Held

Irene Grahn was the guest of honor at a surprise baby shower and dinner party Saturday night at the home of Bob Snyder in Lake Forest. Hostesses at the party were Joan Ruhkala, Wilma Korich, Irene LePire, Gert Wilt, Martha Snyder, Marty Reick, and Sarah Hunter. Guests included the husbands of the above and the following: Ruth Hatch, Lillian Martin, Ruth Lee, Mr. and Mrs. Paul Mullis, Mr. and Mrs. Tony Donadio, Mr. and Mrs. Frank Kennedy, Mr. and Mrs. Pete Huega, Mr. and Mrs. Harry Weigant, Mr. and Mrs. Ed Wilson, Mr. and Mrs. Wes Donaldson, Mr. and Mrs. Chuck Hendrikson, Mr. and Mrs. Oliver Hendrikson, Mr. and Mrs. Al Lundgren, and Mr. and Mrs. Ron Grinstead. Beautiful gifts were given for the newcomer-to-be. who is expected some time in January. Ray Grahn also received several useful and appropriate gifts.

Christmas Tea

The Women's Club of Tahoe has arrangements completed for their open house Christmas tea to be held December 6 at the home of Mrs. Ann Martin. Martha Snyder, president, also wants me to announce to members that their regular meeting and Christmas party will be held at Bacchi's Inn on December 13.

The small gift packages of cookies and candies which the women make for the Veterans of Foreign Wars in Reno should be brought in at that time, Mrs. Snyder says. This is a little earlier than usual sothis reminder is put in now. This is a fine service the women do as one of their many yearly activities.

Honored At Party

A bridge party honoring Mrs. Bill Briner was held Sunday afternoon at the home of Mrs. Sophie Baker in Squaw Valley. The women joined in presenting a highchair for Mark Briner, month-old son of Bill and Fritzie. Guests were Sandy Poulsen, Pat Butterfield, Jean van Wetter, Nancy Tomlinson, Lee Kiernan, Helen Rauscher and Carol Tollefson.

Newcomers

Two-going-on three newcomers are welcomed to Squaw Valley. Norman and Savina MacLeod have come up to make their home here from Pasadena. Norman will run the sportshop in the lodge when it opens. The new baby may be here at this writing. It is expected momentarily.

Birthday Observed

A birthday for 10-year-old Kim Turner was celebrated by a party at the home of her parents, Frith and Lou Turner in Pineland Sunday afternoon. Those sharing the games and prizes and beautiful cake were Jayne Shontz, Mary Anne Spitsen, Sharon Abrahamian, Karla Kiser, Galen Paine, Erica McLane, Joan Sevenier, Danelle Pomin and Janis Giannini.

Cubs Meet

A pack meeting of Mrs. George Days' Den, No. 2 and Mrs. Chris Burmers' Den, No. 1, will be held at the Community Hall on Wednesday night, November 28 at 7:30. A program by the boys will be given and achievement awards presented. Everyone is welcome and parents, of course, are urged to come.

Officers Named

Tahoe City's young people's organization is well underway with weekly meetings scheduled for Monday nights at the Community Hall. The slate of officers is as follows: Richard Decker, president; Sharon Wright, vice president; Jude Commagere, secretary; Judy Vaughn, treasurer; Gary Holbrook, publicity; Koby Kiser, entertainment. Paul Horvath and Elaine Wright are adult sponsors for the group and want the young people to plan and carry out their activities themselves. It ought to be a good winter for this group.

$1 BILLION OF LIFE INSURANCE NOW IN FORCE

STATE FARM Auto Life Fire INSURANCE

F. W. Wilson, local agent for the State Farm Insurance Companies of Bloomington, Illinois, announced today that State Farm Life Insurance Company's Ordinary life insurance in force passed the one billion dollar mark in September. "No other life insurance company," he added, "has ever grown so large during its first 27 years through the individual placing of policies by its own agents.

"We feel this billion dollar achievement is a strong endorsement of our State Farm auto-life-fire 'personal insurance plan. And by the people who count most—our policyholders."

Mr. Wilson invites interested readers to contact him with any or all of their automobile, life and residence insurance problems. Telephone Truckee 101.

Smart Wedding

Louie and Louisa Antillon attended a wedding ceremony of Louie's daughter, Irma, to Daniel Segura at the Church of the Lady of Los Angeles on November 3. Supper and dance followed the ceremony and the happy couple left for Mexico City for a honeymoon. Sure would like to have seen Louie in his tux.

Moving Around

Well, there are more of our good neighbors moving, and for some reason and a good one, they are moving on the golf course road because it is one of the most beautiful areas at Kings Beach. Ray Bergman and family, of Ray and Mike's Station, have moved to the Vetrano home on Brassie avenue and the Ivan Parrs have moved to Krueger home on Midiron avenue. Sure nice to have both families here.

Not So Good

Just received a letter from Beverly Williams, telling me that her brother, Bill Miedema, had just undergone a serious operation in the Huntington Hospital in Pasadena for a ruptured appendix. Other complications had already set which added to the seriousness of his illness. We sincerely hope that by this time there has been some improvement. Bill lived here for some years before entering the navy. Since that he has been with the telephone company in southern California.

Southern California

Mrs. Antillon, who was with Mrs. Comstock in Los Angeles tells me that Mrs. Comstock is going to La Jolla down in southern California for the winter| Pete Bennett, manager of the Brockway Hotel, is already at his hotel in Arizona.

Lions Roar

The Lions Club of Lake Tahoe met in the Carpenters Hall, Kings Beach last Tuesday. Visitors were Ed Francis of the North Tahoe Utility District and Frank Wagner of the county road department. Winn Morrall, secretary, was the speaker and Dave Aston, president, presided.

Out For a While

The Chuck Moseleys of the Gift Shop in Tahoe Vista, left the past week for Larkspur, where they will spend the winter. Chuck is in the house decorating business. They will be back in early spring.

Thanksgiving

Well, here we are. Thanksgiving has rolled around again and we in this country have so much to be thankful for. Let us count our blessings one by one and pray for the less fortunate in the world.

New Building

The P. L. Waters of Covina have been up on a short stay, but on account of illness of their son, had to return home. They expect to be back at the beginning of January. The building that will house the Ceramic Co. is complete, but quite a little fixing up inside will take a while before opening. They have also built an apartment in the rear of the building.

Seven Year's Absence

Young Larry Faulkner, son of Gene Faulkner, is a visitor to Kings Beach and staying with his father. He is a swell youth and a credit to his family. He is from Minneapolis. Gene himself is spending Thanksgiving with his mother, Mrs. M. R. Price in Santa Ana. Bill Faulkner and Peg, his wife, and two children, Mary and Larry, also another brother, Ira and wife, Ivy, all are spending Thanksgiving with mother.

Pre-Thanksgiving Party

Barbecued chicken at its best. That's what it was at Larry and Mrs. Ludlows last Friday night. It was a delightful affair, a cocktail party preceeded the dinner, which was also tops. After dinner we had a round table discussion of what is the best thing to do with our Lake Tahoe area, and if it could all come true it would be a veritable paradise. Those attending were Mr. and Mrs. P. L. Waters of Covina, Mr. and Mrs. Don Barkhurst, A. M. Crispin, Mike Kornazowich, the Mrs. and I and our hosts, Larry and Peg Ludlow.

Beautiful Weather

What beautiful weather we have had the past few weeks. This is Saturday morning and not a cloud in the sky. The mornings are nice and crisp and the days warm. I was so surprised to see a man lying on the beach taking a sun bath and he was only eighty. Yes, it's true.

Church

The Kings Beach Community Church (Wee Kirk O the Pines) is getting off to a great start. The building program of the California-Nevada conference has allotted a substantial sum and if a contemplated loan is forthcoming at least excavation will get underway. Sunday, November 25 will be "Choir Sunday" and the minister, Rev. Langguth, will preach "On Making a Joyful Noise." Beginning this week the Kings Beach teenagers canteen will take up operations in the church building every night except Wednesday. Sunday the time is from 7 to 9:30 p.m. This is a worthwhile project and the officers areto be congratulated.

Ain't It The Truth

When you think of and grumble about our sad lot and think we are hard done by, just think of the poor turkey. He gets it in the neck all the time.

To Stay Open

Well, now I hear that the Blue Lake Inn in Tahoe Vista, under the management of James W. Commagere (and also under the name of Jim and Mabel) is open, and will continue through the winter. This will be wonderful for the ski fans, as it is right in the midst of the largest motels and lodges and will be an asset to the community.

* * * * * *

Now a Very Happy Thanksgiving weekend to all of our friends.

Catholic Lectures Will Be Started On Monday

Beginning Monday, November 26 and continuing every Monday and Thursday night at 8 p.m. sharp, in the Parish Hall, Truckee, a series of lectures will be given by Father McAllister on the Catholic religion. These lectures will consist of a detailed discussion of what the Catholic Church believes, teaches, and the reasons for such belief teachings.

It offers an opportunity for Catholics to get to know their religion better and for non-Catholics to find out what the church believes, teaches and its reasons for those beliefs and teachings.

Everyone is invited to come. Everyone is free to ask questions and place objections.

NURSERY BENEFIT

TAHOE CITY — Many mothers have worked hard to make the benefit whist party for the Tahoe Nursery school a success and extend thanks to the merchants for their support and contributions.

To Wed—

Jack V. Brown and Maria Jordan, both of Truckee, applied for a marriage license in Reno.

RONNY SANFORD WEDS LOOMIS GIRL AT RENO

The many Truckee and Tahoe friends of the Al Sanford family, of Town and Country at Lake Tahoe, and Las Vegas, will be pleased and surprised to learn of the wedding, on October 28, of their elder son, Ronny, at the Park Wedding Chapel in Reno.

The attractive bride, the former Miss Alice Rippey of Loomis, wore a ballerina length gown of white lace with fingertip veil, and carried a white Bible (received while worthy advisor of the Rainbow Order), topped with a white orchid, She was given in marriage by her father, E. B. Rippey of Loomis. Her sister, Ann Lee Rippey, gowned in a peach colored creation and carrying a bouquet of white flowers, acted as maid-of-honor, with Robert G. Sanford, brother of the groom, serving as best man. The bride's mother chose a beige lace gown, Mrs. Al Sanford light blue lace, both wearing pinkrose corsages. Sixty-four friends and relatives attended the impressive service which was followed by refreshments and dinner after the reception at Swede Mathison's Hall in Reno, made festive by numbers on the accordion played by Charles Cozzi of Truckee.

The groom graduated from Tahoe-Truckee High School here several years ago and later attended Sierra College in Auburn. He is at present associated with his father in the jewelry business in Las Vegas where the newlyweds have taken a cozy apartment, completely furnished by gifts from two showers the popular bride was given by her friends in Loomis prior to her marriage. Congratulations and best wishes are extended by the many Truckee and Tahoe friends of the Sanford family.

* * *

Mr. and Mrs. William Englehart, Jr. and family motored to Wellington, Nev., on Sunday last, where they visited Mr. and Mrs. Gene Neddenrit.

* * *

Mr. and Mrs. William Curran were among lucky pheasant hunters over the weekend. They chose the Sacramento By-Pass area and came home with limits. They reported a cold wind blowing and birds hard to rout out. Before the season opened the birds appeared to be plentiful, but as soon as the shooting started, they disappeared.

* * *

Truckee residents may look forward to some exceptionally fine music this Christmas season, according to Rev. Wesley Osman of the Truckee Community Methodist Church. For already an aggregation of local voices, which may reach twenty or more, is practicing, under the direction of choir Director Victor McLane, the beautiful strains of Ira B. Wilson's Yuletide cantata, "Even Unto Bethlehem." The program will be given in the sanctuary of the church on the evening of December 16, the exact time to be announced later and one and all are cordially invited to attend.

Rev. Osman wishes to issue a reminder to church members and friends of the bazaar and chili luncheon scheduled for Tuesday, November 27.

* * *

Mr. and Mrs. Victor McLane were among those fortunates who attended the performance of the Paris Ballet, sponsored by the Reno Community Concert Association, on Monday night at the State building in that city. Tickets for these performances must be purchased early in the spring for the season program.

A musical treat which can be witnessed without charge however, will be the "Messiah" which is being given on the evening of December 10 at 8 p. m. in the new gym at the University of Nevada in Reno.

* * *

Mr. and Mrs. Robert Bick are spending the Thanksgiving holiday at the home of their daughter and husband, Mr. and Mrs. Ed Gily of Reno. Last week they motored to Oroville where they visited at the home of her brother, Morrill Vernon, former Truckeeite, who celebrated his birthday on Sunday last.

* * *

The local Pythian Council of Sunshine Girls will hold a routine practice of new officers at their Wednesday evening session in Odd Fellows Hall with plans for their annual Christmas get-together to be discussed during the evening. The customary vacation period will be observed again during the first part of the new year in January and February when the Truckee region receives its heaviest snowfall.

* * *

Mr. and Mrs. Charles Heller are entertaining for Thanksgiving dinner at Smart's Mr. and Mrs. Ralph Edwards of Truckee.

* * *

Mr. and Mrs. Ralph Daniels and Mr. and Mrs. William Curran are taking up an unusual and interesting hobby—hypnotism. Mr. Daniels, local logger, has had small measure of success already and found the experience so fascinating he plans to make a serious study of the subject.

TURKEY TROPHY SKI MEET ON SUNDAY

TAHOE CITY—The Squaw Valley-Lake Tahoe Ski Club met Friday night to make final plans for the forthcoming Sixth Annual Turkey Trophy race at Squaw Valley, scheduled for 10 a.m. Sunday, November 25.

This event has for the last five years marked the official opening of the Squaw Valley skiing season andthis year is to be no exception, in spite of the fact that the new Squaw Valley Lodge will not be ready for use.

Lodge Manager John Buckman announces that breakfast and lunch will be served Thursday through Sunday and that a soft drink and beer bar wil be set up for mid-day and afternoons. Although these are not the kind of services Squaw Valley would like to be providing, he said, we will be in business and won't let a little $350,000 fire do us in. It is expected that the new lodge will be ready for a December opening as originally planned.

Club President Blanche Donaldson announced that this traditional giant Slalom event will be handled by Competition Chairman Ray Fellows, and that anyone with a racing card can enter the events if they appear by 10 a.m. Competition is limited to classes A, B, C, and open.

If present weather continues snow conditions will be good in the north bowl below the top of Squaw Peak, so contestants and spectators should allow a good 45 minutes to get up the mountain.

The membership voted to recommend that the directors arrange for the purchase of a rope for the ski tow on Olympic Hill jumping area in order that the club could give all possible encouragement to jumping competition during the three winters that remain before the 1960 winter games to be held at Squaw Valley.

Competition Chairman Fellows urged the club to push jumping as a club and to schedule a jumping meet this winter. This was taken under advisement.

DRUNK DRIVERS GET ANOTHER WARNING

SACRAMENTO (CNS) —Drunk drivers got another warning today from the California Highway Patrol when it released an enforcement guide for uniform action against the menace.

Purpose of the guide, according to Commissioner B. R. Caldwell, is to aid in strengthening the enforcement effort against drunk driver and develop more uniform action in handling drinking driver violations.

Arrests for drunk driving violations are up over eight percent for the first nine months of this year over 1955, Caldwell said. Traffic accidents involving drunk drivers are up nearly 14 percent.

Miss Pat Riley Becomes Bride Of R. J. Tyldsley

Before the altar of Reno's First Methodist Church Mr. and Mrs. Robert James Tyldesley, exchanged wedding vows at a formal rite Saturday evening, November 10, at 9 p.m. The bride is the former Ellen Vale (Pat) Riley, daughter of the Linford D. Rileys of Yerington, Nev. They wil make their home in Santa Monica, where the bridegroom is associated with a construction company.

The bride was given in marriage by her father.

Miss Lee Kierman of Squaw Valley was maid of honor.

Bridesmaids were Miss Patricia Dear of Anaheim, Calif., cousin of the bride, Miss Marilyn Hill of San Francisco, a close friend, and Mrs. Virginia Cole Costenson.

Sandra Kay McGuire, daughter of Mr. and Mrs. Ray A. McGuire of Reno, and a cousin of the bride was flower girl and Hector G. M. McNeil of Palmdale, Calif, was best man for the bridegroom and seating the guests were Linford Dale Riley of Los Angeles, brother of the bride. Jerry K. Walsh of Los Angeles and Wilbur G. Dettmar of Hollywood.

Guests from Squaw Valley were Mr. and Mrs. Terry Tollefson, John T. Buchman, Mr. and Mrs. L. R. Van Wetter, Mr. and Mrs. Robert Frickstad, Mrs. Maria Nickford, John P. Martizia, Mr. and Mrs. Milton Duval, Gina Parisi, Mr. and Mrs. Bill Briner, Mr. and Mrs. Don Farnham, Joseph Marillac, Joe Auchenthaler, Kare Elligbo, Miss Lee Kierman, Mr. and Mrs. Howard Martin, Mr. and Mrs. Leland Baker, Mr. and Mrs. Norm Wilson, and Charles Fink.

Highway Death Record Set During September

SACRAMENTO (CNS) — September was a record high for that month in California traffic deaths, the California Highway patrol announced.

B. R. Caldwell, patrol commissioner said:

"This record traffic death toll exceeds the previous September high in 1952, when 342 met death in traffic and brings the 1956 toll to 2710, just 955 short of the record of 364 traffic deaths in 1946.

"With our population and motor vehicle registration reaching new high daily, we are faced with a serious challenge to stop this unnecessary toll."

Violations of traffic laws continue to set the stage for nine out of every 10 traffic deaths, Caldwell said.

"This makes it vitally important for everyone to maintain constant compliance of the rules if we are to meet the challenge successfully."

The patrol also announced that dusk is one of the most hazardous times of the day for driving, and said the traffic accident frequency is between 3 and 7 p.m., with the peak coming between 4 and 6 p.m.

Beef accounts for 51 percent of the average American's meat diet.

Tarzan

by EDGAR RICE BURROUGHS

HUNDREDS OF BUFFALO THUNDERED ACROSS THE PLAINS DIRECTLY IN THE PATH OF THE FRANTIC WHITE MEN!

AS THE STAMPEDING HERD OF BUFFALO BORE DOWN ON THEM, TARZAN DESPERATELY FIRED AN ARROW.

THE MEN FOLLOWED TARZAN'S LEAD AND LEAPED ON THE FALLEN CARCASS IN THE PATH OF THE CHARGING BULLS--

HOWEVER, THE SIGHT OF THEIR FALLEN LEADER CAUSED THEM TO VEER TO EITHER SIDE OF HIM!

"WHEW! THAT WAS CLOSE!" GASPED JOE RICE. "BUT WE ARE STILL IN DANGER!" TARZAN CRIED. "LOOK!"

DICK VANBUREN JOHN CELARDO

AND THERE, CHARGING DIRECTLY AT THEM WAS A STRANGE CAVALRY OF SCREAMING, BLOODTHIRSTY WARRIORS!
